By submitting the film, the submitter permits the festival to do so. The online screener has to be available till the end of the selection process. The lifetime of passwords has to be guaranteed till October 4, 2024. This also includes the usage of the materials on the festival's website and other social media. The festival is authorized to use excerpts provided by the signatory and/or to select excerpts of up to five (5) minutes in length. The submitter will provide the festival with sufficient PR material (pictures, posters, press kits,

etc.). The transport cost for advertising and press material is assumed by the contributor.

## **§ 8 Validity**
